Title: The Mythndale Collection

Author: Historian Laurette

These 56 books are the
sole public copies existing
from the Library of the
player-town of Mythndale.
Mythndale was a vital
Trammel city for roleplay
from the facets creation
through 2004. <next>
Located East of the
Brit moongate, the town
was the most successful
of its type in its time.
Many authors names
have been lost in the
collection due to a
scribing error.
Mythndale had a thriving
well-used tavern and
popular mysterious tower.
The primary foes of the
citizens were Mazrim, who
also plagued other towns,
and the "Council of
Vampires" guild. <next>

The official slogan of
the Royal Guard of all
shards was created by
Mythndale Guardsmen.
